## Over the Christmas Rainbow

This delightful show begins with the story of Noah's Ark. With great audience participation, the animals go into the ark two by two as the raindrops begin to fall. To end the great flood God's sign to Noah was a rainbow in the sky. Two thousand years ago the sign God sent was a star above the stable in Bethlehem. As the story unfolds, children will be reminded about the true meaning of Christmas as they visit the manger scene with angels, shepherds and the three wise men.
