

# STARLIGHT CHRISTMAS

The night before Christmas and the scene is set for a wonderful celebration. Christmas puddings are steaming, gifts are wrapped and lights on the tree are twinkling. The star is shining above- but is this the brightest star? Delightful characters Bubble and Squeak lead the audience down to the starlight theatre where a Christmas show is taking place- including scenes from "The Nutcracker." There is a sparkling star there- but is this the brightest star? Nothing compares to the star that shines above the stable in Bethlehem where the Christ child was born. And so all attention is turned to the new born King and the true spirit of Christmas is celebrated.
